### RCRA STATUS

The preliminary assessment does not address the RCRA status of the facility. Steel Weld Co. is not listed in the June 21, 1988 RCRA database.

### HRS DEFICIENCIES

HRS factors for this site were not addressed because no toxic waste or materials were stored at this site.

### CONCLUSIONS

The preliminary assessment recommends No Further Action under CERCLA at the site. A preliminary screening of the HRS factors indicates that the site is not likely to be eligible

for inclusion on the National Priorities List because no hazardous materials has been handled on-site.
